ABOUT ME

I stand out for my self-taught nature and constant desire for learning. I am a committed and responsible individual with a proactive attitude that drives me to tackle challenges and obstacles .

EXPERIENCE

2024 Internship - Banco Popular

I actively collaborated with the Technology Vice Presidency on a VPN migration project for remote work. My role involved facilitating the transition to ensure employees had secure and efficient access to necessary resources, which enhanced productivity and team satisfaction during the adjustment period.

EDUCATION

2025 Systems Engineering (in progress)
Corporación Unificada Nacional de Educación Superior (CUN)

2024 Associate Degree in Software Analysis and Development
Sena
